Social Media

This year, we'll continue to use the Remind app to keep everyone informed of tournament updates, including schedule changes. The sign-ups will be easy and rather than having to check back frequently, we will all be connected to any information distributed.

Mandira Chowdury	Betty Smith	

Meal Monitors

During meal times, we'll have several open buffet lines so that everyone can proceed through quickly and have enough time to finish eating. Participants must wear their name tags to help expedite that process. These monitors will assist in making sure that the lines are moving and that there are no issues.
